**SINIQ** blends these three key elements to help you discover your own creative identity and craft a personalized fragrance that expresses the true "you."

We aspire to become the **icon of signature scents**, perfectly reflecting each individual's taste and style.

## SINIQ Brand Story

The head of the **sperm whale** contains a precious substance known as **ambergris**. Once prized as an ingredient that deepened the richness of fine perfumes, ambergris has since become a rare and nearly unattainable treasure.

Inspired by the sperm whale, SINIQ creates distinctive, noble fragrances and offers you a scent that is truly one of a kind.

## SINIQ First Memory Perfume Edition

What is your first memory?  
Your First Social, First Adventure,  
First Love, First Experience, First Breakup  
We've captured life's most intense moments in a scent.

## FIRST SOCIAL TONIC

PERFUME & HAIR

Helps to prevent hair loss

Helps to prevent hair loss (Functional Cosmetic)

This is not a medicine for the prevention or treatment of diseases.

**First Social Tonic** | 20ml / 50ml

PERFUME : Lemon | Sandalwood | Iris

Refreshing lemon and orange harmonize with bergamot in the opening, while iris and sandalwood leave a warm, comforting woody trail that lingers pleasantly.

**S°1**

## FIRST ADVENTURE PERFUME & HAIR

**First Adventure** | 20ml / 50 ml

PERFUME : Lime | Cassia | Neroli

Citrus notes of lemon, lime,  
and bergamot lead the way,  
while the florals of acacia, neroli,  
and rose leave a deep, lingering finish.

**S°2**

## FIRST LOVE PERFUME & HAIR

**First Love** | 20ml / 50ml

PERFUME : Bergamot | Jasmine | Peach

The crisp freshness of bergamot and mint unfolds into the lively bloom of osmanthus and jasmine, settling into a sweet finish of peach and musk.

**S°3**

## FIRST EXPERIENCE PERFUME & HAIR

**First Experience** | 20ml / 50ml

PERFUME : Chamomile | Rose | Woody

Chamomile and clary sage set the stage,  
Damask rose and violet make a  
striking floral impression, and musk and  
woody accords leave a deep, lasting trail.

**S°4**

## FIRST BREAKUP

PERFUME & HAIR

**First Breakup** | 20ml / 50ml

PERFUME : Fig | Rose | Musk

Fig and blackcurrant open the story,  
deepened by the elegance of neroli  
and rose, before closing  
with an intense trail of musk.

**S°5**

---

## SINIQ Perfume & Hair Effects

---

**Point 1** Prevents static and locks in moisture for lasting hydration

**Point 2** Reduces frizz and dryness for a soft, hydrated feel

**Point 3** Cares for hair with a fresh, glossy finish

---

## Q & A

---

**Q.** What makes this hair perfume special?

**A.** Its greatest strength is SINIQ's distinctive, refined fragrance. A single application lasts up to 24 hours, and the lingering scent has been highly praised.

**Q.** How is it different from a regular perfume?

**A.** It offers a similar fragrance concentration and longevity to perfume, while also helping condition your hair.

**Q.** Can I spray it on my body or clothes?

**A.** Yes. We recommend a light spray after testing on a small area first.

**Q.** How many uses does one bottle provide?

**A.** Based on two sprays per use, one bottle provides approximately 250 uses.

## SINIQ MEMORY GLOW OIL

A scent and softness that melt into your hair  
and linger in your memory

#FreshTouch

#GlossyShine

#HairCare

#PerfumeOil

# Lightweight! Radiant! Fragrant!

Dress your hair in shine and scent  
with SINIQ MEMORY GLOW OIL.

## Fresh Touch

A fresh, non-sticky feel that leaves  
hair soft and silky, so touchable  
you won't want to stop.

## Perfume Oil

A rich floral blend of Damask  
rose and violet adds a subtle,  
lingering scent.

## Hair Care

Hydrolyzed silk combined with  
tocopherol (vitamin E) smooths  
and detangles for beautifully  
kept hair.

## Glossy Shine

A thin, weightless coating hugs  
the hair surface, adding vivid  
shine for a polished, luxurious  
finish.

## FRAGRANCE NOTE
